Proving that one does not need to be wealthy to enjoy a lifetime of fulfillment aboard a cruising sailboat, this collection contains anecdotes from eight experienced sailors who have voyaged safely and comfortably aboard boats ranging from 16-foot centerboard gaff cutters to ocean-going 22-foot cutters. Included is the story of the Sea Dart, the small sailboat made famous by adventurer Tristan Jones in his bestselling book, *The Incredible Voyage*. Contributors relate how they could afford larger, more complex boats but have resisted the urge to upgrade for reasons both practical and philosophical. Topics covered include boat selection, cooking, toilet facilities, ventilation, sleeping, and seamanship.
